Stage 2 – Deciding on the mark

Once the band has been decided, examiners can then assign a mark. During standardising (marking conference), detailed advice from the Principal Examiner on the qualities of each mark band will be given. Examiners will then receive examples of answers in each mark band that have been awarded a mark by the Principal Examiner. Examiners should mark the examples and compare their marks with those of the Principal Examiner.

Indicative content is also provided for banded mark schemes. It is extremely important to note that **indicative content is not exhaustive, and any other valid points must be credited. In order to reach the highest bands of the mark scheme a candidate need not cover all of the points mentioned in the indicative content but must meet the requirements of the highest mark band.** Where a response is not creditworthy, i.e. that is contains nothing of any significance to the mark scheme, or is entirely irrelevant to the question, or where no response has been provided, no marks should be awarded.

Assessment Objectives

AO2 Analyse and evaluate aspects of religion and belief*, including their significance and influence

* The term ‘belief’ includes religious and non-religious belief as appropriate to the subject content requirements.
